Our Mission is to help others grow in the love and joy of Jesus Christ

May 2021

Pastor's Note...

The Bible says for each of us to put on Christ. But how do we do that? One of the plainest ways and most obvious way is how we pursue the desires of our heart.

The Holy Scriptures describe a difference between the way of the righteous and the way of the unrighteous. The Apostle Paul distinguishes that even further when he differentiates between the works of the flesh and the fruit of the Holy Spirit.

We want to help clarify that even further during the months of May and June. How? We want to take the 9 common desires all humans share as highlighted by the fruit of the Spirit and provide a clear contrast between how grace pursues these desires and how sin pursues them.

As I was trying to understand this concept of clarity I read this from the Digital Photo Mentor at digitalphotomentor.com.

So, my job, if I do it correctly, will be to help you draw that edge in your life between the Spirit and the flesh, between pleasing God and governing and suiting ourselves.

What that means is that Clarity looks for differences in tones between one thing that is dark, up against something that is light – an edge. When it finds that tonal difference it enhances it, and makes it greater – so in the grayscale image each step up in tone has only the outside of the block showing increased contrast.

So, take an extra dose of humility as we look at these things together. Draw near to God so all you do originates or happens because of Him. Why do you want to do that? Because God brings to an end everything He does not begin.

So, remember. For Jesus to be the Finisher of your faith He also needs to be its Author.

Love, Norman Ramsey

It's your congregational care team leaders, Debby Long and Marie Milton! We are so excited that we have been able to start reaching out to our congregation with our caravan visits (and there are more planned) and a few surprises to come for all of you! We have a card ministry going full force (thank you, Virginia Williams), and a team of our church members are checking up weekly on our senior members!

As we are reaching out to our members, we are learning of various needs they have, and we are now asking for your help! We are the hands and feet of Christ and have been instructed to love one another and serve one another. And we have so many different talents in our congregation, yes, we are very blessed!

Here are the areas in which we need help and we want to form teams of people whom we can call on as needed. The more people on the teams, the lighter the load for any one person.

Transportation team: To drive people to doctor appointments or rehab therapy or other places they need to go.

Technical assistance team: to help people with technical issues, maybe how to work a new tv, hook up a new computer, how to use a new remote, etc.

Manual labor team: to rake leaves, to move heavy things, to change light bulbs, a lot of possibilities here.

Maintenance and repair team: to fix small jobs, maybe squeaky door, loose door knob, those little odds and ends that some people can't fix on their own.

Run errands team: to run to the post office, to pick up medicine, little errands.

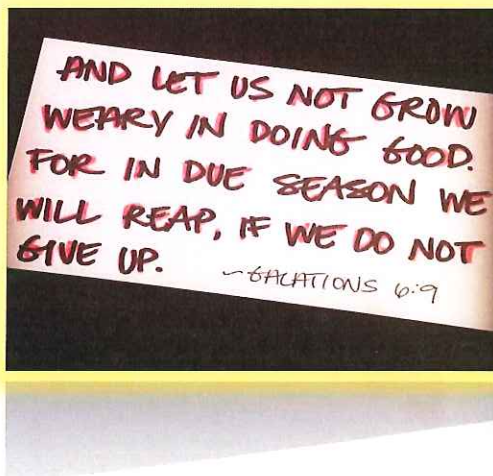

Meal Train team: to fix meals for the sick when the need arises.

Would you prayerfully consider volunteering to serve on one or more of these teams? Your church family needs you! Presently we have at least two needs! 1. To move out an old refrigerator and move in a new one 2. to hook up a new computer and set up a Roku tv. Could anyone volunteer for those jobs asap?

Contact Debby Long (dhoniglong@gmail.com or 804-310-4979) or Marie Milton (mcmorgan112@gmail.com or 434-665-4875) or Sue Eggleston (sueeggleston918@gmail.com or 434-664-7325) if you can help or if you have questions! Thank you, and God bless you all!

Do you know the importance of hope?

In 1957, a study put wild rats in a beaker to swim; they lasted 17 minutes.

A second group was rescued after only 16 minutes. Placed in the container a second time, the rescued rats swam for 36 hours. Why the difference?

Why could the second group now swim for a day and a half? The scientists concluded the second group had learned the hope of being

saved. In the first case, the rats hadn't experienced this new environment and had no expertise in escaping. So, they merely gave up. Once the rats experienced being removed safely from the water, they learned a chance, a hope, existed for reaching dry land. This knowledge gave them the hope to continue.

We also show the effect of hope. People who lose hope have a much lower chance of surviving cancer. Hope reduces a chemical that fights breast cancer. Yes, feeling hopeful actually changes your brain chemistry. Without realizing it, when you feel hopeful, chemicals are pumped into your brain that block pain and accelerates healing. These chemicals are neurochemicals called endorphins and enkephalin, which have the same effect as morphine.

All of these studies underscore the part hope plays in our lives. Being in a state of hopelessness can strip us of our energy and motivation to continue. But finding hope can provide the strength to endure far longer than we expect.

At C/R, we base our look for a life renewed on hope.

Higher Power: God can do for us what we have never been able to do for ourselves.

Openness to change: With God's help, we allow our trials to make us better, not bitter.

Power to change: God's power is enough to change us and our situation.

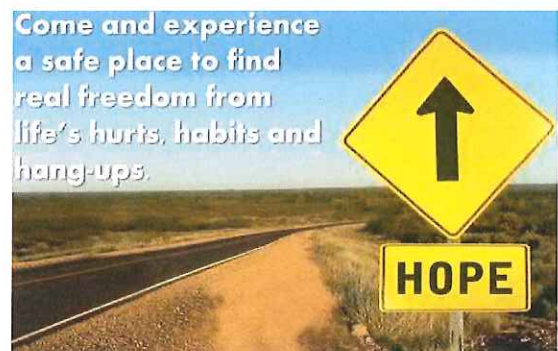

We can't change on our own, but we can ask God to take charge.

Expect to change: Expect God to bring healing; it is one of his promises.

Look to His Power.

On Tuesday, we help each other grow
and reach our goals.
We share our hope!
All are welcome!

Let us hold tightly without wavering to the hope we affirm,
for God can be trusted to keep his promise. Hebrew 10:23

IMPACT 2021

*Seedtime and harvest are tied together
in a sure knot.*
(Charles Spurgeon)

**And let us not grow weary while doing good,
for in due season we shall reap if we do not
lose heart (Galatians 6:9).**

The Missions Committee met on April 15th and made the decision to continue to support Emi Monges in Paraguay for this year. She works with churches in her region teaching others to lead support groups for women called "Focus on the Heart". These groups help women deal with the widespread abuse they experience in their culture by sharing with them the Good News of Christ and how he can help them heal.

The Committee also sent a donation to the Appomattox County Library Association to support the J Robert Jamerson Memorial Library's summer reading program.

MISSION OPPORTUNITY:

After learning of the decimation of Hope of Life Village in Guatemala due to hurricane Eta, Sue Waddell contacted missionary, Chris McNutt, asking how we can help.

He said they need food; he wrote:

\$80 a week can provide for a family of 4 to have 3 meals a day for 7 days.

With toiletries such as toilet paper, soap, toothpaste and dish soap; \$90 a week can provide food and essentials.

If you would like to help with any amount, you can make a check payable to MUMC and note "Hope of Life"; we will send one check from the church.

THIS WILL BE EXTENDED THROUGHOUT MAY

Teddy Bear Brigade: During the months of April and May, the mission committee will have barrels at the front entrances to the sanctuary, inside the Legacy Hall entrance, and in the Daycare hall for the Teddy Bear Brigade for Gleaning for the World.

You may donate slightly used or new stuffed animals to go to abandoned children, orphans, refugees, victims of natural disasters, or children in other tough life situations.

These cannot include batteries.

WANT SOMEONE TO PRAY WITH YOU?

Our prayer ushers haven't left you! We still want to pray with you even though church may look differently now! We encourage you to contact us by phone or email and we will be delighted to talk with you and pray for you! Romans 8:38-39 tells us "For I am convinced that neither death nor life, neither angels nor principalities, neither the present nor the future, nor any powers, neither height nor depth, nor anything else in all creation, will be able to separate us from the love of God that is in Christ Jesus our Lord." We are still the body of Christ even though we aren't physically together. God still loves you and so do we! So, do you wish for someone to pray with you? Then please contact one of us!

Bible Time helpers wanted! It's fun!!

Hello Church Family!!

I'm looking for volunteers that would like to join the team of "Bible Time Leaders" for our daycare children. What does that mean??

Starting in May, we'd like to re-start our program where a church volunteer goes to visit the daycare each Tuesday morning at 9:00 am. The normal procedure was to visit each classroom (2 year olds, 3 year olds, and 4 year olds) to share a Bible story. You can get creative or keep it simple. Either way, the children LOVE the visits. You can sing. Or not. Anything to show the kids and teach the kids about the Love of Christ.

If there are 4 volunteers, that would put you on the schedule once a month. With 8 volunteers, that would be once every other month. The more the merrier.

Who's in? (I have LeeAnn, April, and me so far.)

**Love,
Sue**
