Our Mission is to help others grow in the love and joy of Jesus Christ

September 2021

Pastor's Note...

The Apostle Paul revealed the true context of our struggle a long time ago.

For we don't wrestle against flesh and blood, but against the rulers, against the authorities, against the powers of this dark world and against the spiritual forces of evil in the heavenly realms. Ephesians 6: 12

So, it is high time we realize we are part of an ongoing conflict on this stage we call the earth. Part of this war is an information war. The world is following a devilish impulse to lie and deceive, though now we are finally seeing some of the world's true goals to dominate, coerce, and control the population of the earth.

We live in the midst of a conflict of visions. On one side is Jesus and those who follow Him. And because of Jesus we follow a pathway of grace in all we do. On the other side of that conflict people are still rooted to sin and the tragic and destructive outcomes it brings.

What we hope to learn together through the month of September is how we can faithfully follow this pathway of grace. Along the way, I hope we learn to love the things God loves, gain a picture of revival and unity, distinguish between what offers false hope and what offers us a blessed hope for the future. I also hope we will realize that this day in which we live is our appointed time to serve the Lord.

From what we learn we hope to persuade others of a better, more enduring hope in Jesus. I think it is obvious to all of us that the state and direction of our nation cannot endure the way we are facing the conflict of visions now.

There must be a change, an awakening and turning to the Lord unlike anything most of us have ever known. So, I invite you to be present each and every Sunday in September as we explore the ways we can enter into God's vision for His people – even in the midst of a conflict of visions.

Let us pray, "Lord, let your redeeming work begin in me."

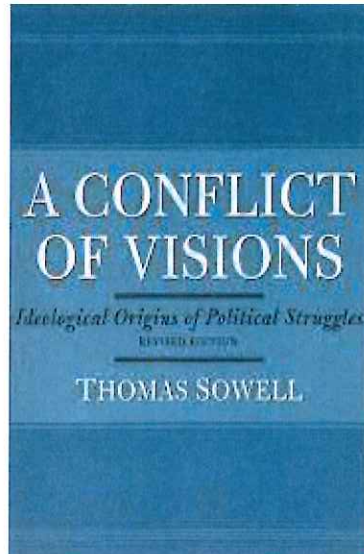

In loving service to Christ, Norman Ramsey

DID YOU KNOW that we at Memorial United Methodist Church want to **CONNECT** with you?

Whether you are a full-fledged member, a regular visitor, or an occasional visitor, we have several ways to keep you informed about what is happening at our church.

-  1. As you attend church, you will notice that our weekly bulletin opens up to a beautiful weekly newsletter! It shows the week's schedule, prayer list, and other upcoming events and projects. This is emailed out each week and can be mailed through the postal service at your request.
-  2. Our monthly newsletter goes out by the first of each month (via postal service and email) and offers all kinds of great information....calendar, events, volunteer assignments, and updates.
-  3. One Call Now! Our latest way to communicate is through an automated phone/email service which is really helpful for last-minute issues, weather cancellations, and important reminders. This service can send messages to the entire church or to small groups.

 So if you ARE NOT receiving an emailed bulletin, monthly newsletter or One Call Now announcements, we need your information! Please contact me at (434)664-7325 or sueeggleston918@gmail.com with your phone number, email address, and mailing address. You can also call the church office at (434)352-5705. Or put a note in the offering box. We want to stay connected with you!!

Sincerely,

Sue Eggleston

Church Council Chairman

Well, would any of you like to have any or all of the following in your life?

Faith replacing despair
Courage replacing fear
Hope replacing desperation
Peace of mind replacing confusion
Real friendships replacing loneliness
Self-respect replacing self-contempt
Self-confidence replacing helplessness
A cleared conscience replacing a sense of guilt
A godly pattern of life replacing a purposeless existence
The respect of others replacing their pity and/or contempt
The freedom of a happy life replacing the bondage of obsessions
The love and understanding of our families replacing their doubts and fears

This is a list of the 12 rewards that C/R is designed to help you achieve. So none of these twelve rewards is of interest to you. Well, how about having a supportive group of friends or putting aside all of your hurts, hang-ups, and harmful habits?

Should I come to C/R just because of what I can get from it?

Why not? Based on Biblical principles, we are all working toward freedom in Jesus and a life renewed. It is a safe place for all of us struggling with hurts, hang-ups, and harmful habits.

One of the actions items we talk about is to Give. God is in first place. I is replaced with we; we accept that we don't need to go it alone. Victories show us God never wastes a hurt. Everyone learns to share their hurts and triumphs in their own personal way.

Yes, we enjoy a time of prayer, worship; singing, and fellowship. But most importantly, it is a time to grow in God's grace with a group of caring, loving people. A favorite quote from C.S. Lewis, "Friendship is born at that moment when one person says to another: "What! You too? I thought I was the only one!"

Every good gift and every perfect gift is from above, coming down from the Father of lights, with whom there is no variation or shadow due to change.

James 1:17

Dear Church Family,

Thank you for your prayers over the young adult small group bible study that occurred over the summer. We meet for 8 weeks studying 1 Corinthians. Our group grew to about 15 young individuals, all from different backgrounds. Planning and organizing this bible study, I prayed that the Lord would help me connect young adults from this community. Not only did he do this, but we had the chance to have two missionary teens who were visiting from the Country of Georgia who just happened to be at the meeting spot!

I want to thank all who prayed for this group, those who donated money for snacks, Bryan Baine for allow us to use his space, and Marie Milton and Tori Rothgeb, who helped me put this idea into action.

Our group had the chance to connect not only in God's word but also in fellowship. The group would meet throughout the summer for coffee hangouts and plan to hang out more in the upcoming fall. Many have asked me what is next? I would love to extend this and continue serving this group next summer. For now, I pray for the Lord's guidance and will lead where he calls me. Please continue to pray for this group as many are heading back to college or to their first year in college. I am excited to see how God will use these individuals outside of our community.

Blessings!

Hi Church Family,

FALL MISSION PROJECT

After finishing the young adult bible study many people asked me what was next? I love to serve the community and during my time at Longwood University I served the Farmville Community on Thanksgiving Day with a program called Feeding Farmville. I wanted to extend this to our county. Our church this year will be hosting the first Feeding Appomattox. Below is some more in depth information!

What: Delivering Thanksgiving meals on Thanksgiving Day to those in need (Homebound, single parents, low income families, elderly, etc.)

Who: Work closely with Social Services as well as advertise for individuals to call and sign up

When: Plates will be delivered by volunteers on Thanksgiving morning but we will be working behind the scenes months leading up.

How: Donors and Volunteers! We will ask businesses for food donations and members of the church and community to volunteer their time!

Can't do Thanksgiving Day but still want to help? We would need a lot of help with the prep. If you feel called to help and cannot help the day of, contact me and we can figure something out! (Months before, week before, night before etc.)

We have many committees and positions to help:

Direction Committee: Designing routes and directions for day of drivers

Kitchen Committee: Heating and serving food morning of

Communication/Event Chair: Handle any social media, emails, advertising

Welcome/Check-In Committee: Day of greeting people and handing out information to drivers

Delivers: Pairs (Driver and Handler) to take meals out to the individuals signed up.

If you are interested and want more information or are ready to sign up, please contact me via email, phone call, or text or join us for the interest meeting September 16th at 6pm upstairs in Legacy Hall.

Blessings,

Friends of Barnabas

Dear Friends,

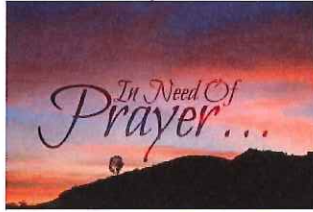

Last month, we received a donation of Moringa seedlings and seeds. The Moringa tree has been used for centuries for its medicinal properties and health benefits. Also called the "Miracle Tree", Moringa has antifungal, antiviral, antidepressant, and anti-inflammatory properties.

Each part of the Moringa tree can be used; the leaves, bark, roots, seed pods and seeds. It can be used as a tea, in soups and salads, and also as a powder to be added to just about anything. The seeds even produce an oil that can be used for cooking and to purify water.

Danilo, our Barnabas House Caretaker and Gardener, has been tending to these trees, and soon we will deliver a tree to each of our 250 families in the Extended Care Program. Our staff will also provide training on how to care for the trees, the health benefits of Moringa, and how to harvest and prepare the different parts of the tree. We are thrilled to be able to provide this incredible nutrition supplement to our patients and their families.

Blessings,
